to meet our special heroes

Dear Jerry & Karen:

On behalf of Bear Necessities Pediatric Cancer Foundation and the children waging their courageous battles, we would like to thank you for your incredibly generous sponsorship of five Small Miracles in honor of Kailyn in the amount of \$2500.00. We will let you know how your gift is used to create a miracle for some of the children in our Small Miracle program. Thank you so much for your philanthropic support.

Bear Necessities is a unique organization in several ways. We provide immediate assistance for the children, their families and hospitals on an ongoing basis throughout the year, and also fund national research projects on an annual basis.

Pediatric cancer remains the number one cause of death by disease in our children today and the numbers continue to grow. Please know that your contribution will help to create miracles for children who desperately fight for another tomorrow.

Thank you for supporting us in our mission.

Regards,

Kathleen
