Dear Mr. & Mrs. Rhea:

On behalf of the children waging their courageous battles against pediatric cancer, Bear Necessities Pediatric Cancer Foundation would like to let you know that Mr. & Mrs. Timothy Fahey have made a donation in memory of Kailyn.

Pediatric cancer remains the number one cause of death by disease in our children today and the numbers continue to grow. Together we can move mountains and create the much-needed miracles to give children with pediatric cancer another tomorrow and hopefully make their tomorrow a little brighter.

Kindest regards,

Kathleen A. Casey
President/Founder
