Dear Jerry, Karen, & Neil,

Thank you for your generous Foundation Grant of \$1,000.00 to Children's Oncology Services, Inc. Your support enables us to operate the One Step At A Time programs for kids with cancer.

Each year, more than 400 children participate in the One Step At A Time programs. These programs allow kids to enjoy the simple joys of childhood despite their diagnosis.

Pediatric cancer often places an enormous financial burden on a family. For this reason, the fees for our camps and programs are set at just a fraction of the actual cost and are often waived entirely. Your generosity helps us keep our promise to never turn a child away.

On behalf of our volunteers, board of directors and especially our campers, thank you.

Sincerely,

Genie Kutchins
Corresponding Secretary
Children's Oncology Services, Inc.
