

**Please join us at the 11th annual Kailyn Rhea Foundation golf outing benefiting Children's Memorial Rhabdomyosarcoma Research Fund. Unfortunately, Kailyn passed away July 12, 2007 on the eve of the 2nd Annual outing but her legacy lives on through her foundation, in hopes of finding a cure and giving other children a chance to survive this disease.**

**Proceeds will help fund the various research programs for Rhabdomyosarcoma at Children's Memorial, One Step Camp and Shining Stars. Research funding was Kailyn's wish to find a cure and the two camps were and are still special for children currently fighting Pediatric cancer!**

**This is only possible because of the generous support of people like you.**

**Enjoy a wonderful day of golf and thank you for your support.**
