Dear Ms. Rhea,

I've just received the marvelous news -- you're the newest member of our St. Jude family. It gives me great pleasure to welcome you, and I want to be the first to thank you for your gift of \$100.

Let me say -- you are now counted among the most generous and compassionate people in the world . . . people who want to reach out and help a child with cancer.

Already, your \$100 is saving lives at St. Jude. Your dollars pay for the chemotherapy, radiation and other life-saving treatments our patients need in their fight against childhood cancer.

And, you are helping to advance our research, so that one day, we can stop this killer once and for all.

Through your support, St. Jude stands as a beacon of hope and life to families facing an unimaginable crisis. We offer the finest cancer treatment available anywhere in the world. And no child admitted to St. Jude is ever turned away because the family can't afford our care.

Without St. Jude, what would happen to these innocent children?

Your gift makes it all possible. Thank you for helping us to achieve my father's dream that "No child should die in the dawn of life." Your generosity is saving lives.

For the children,

Marlo Thomas

P.S. I know there are many worthy charities that ask for your help. Please know how honored we are that you've chosen to support the work of St. Jude.

Finding cures. Saving children.
